Breeze

Designed by Tait.

Embrace the beauty of the Breeze Collection. The Breeze's soft, airy, tactile feel is created through a combination of ventilated woven wire and stained FSC Accoya or FSC Spotted Gum timber arm details. Raw materiality is softened by comfortable seat and back cushions upholstered in outdoor fabric. Perfect for outdoors and in, Breeze's relaxed yet elegant style is at home in domestic and commercial situations. Comfort never looked – or felt – so good!
