Jak

Designed by Justin Hutchinson

Hi there. I see you've decided to have a look at our man Jak. Let me tell you a couple things about the young lad in front of you. You've probably seen him relaxing with friends inside a café northside as well as flirting with a cute backpacker down in St. Kilda. The boy gets around. Some might see Jak as a bit wirey and slight, but skinny jeans aside, he's as sturdy and dependable as the day is long.
