Hot Water & Heating

Bosch. Redefining reliable hot water

The Bosch External HydroPower models are available in 10, 13 & 16 litre per minute flow rates which makes them suitable for up to 2 bathrooms. These systems use power created by water flow to ignite the burner only when you turn on the tap. Manufactured using strict Bosch quality procedures, the HydroPower range offers reliable hot water supply and 5 star energy efficiency. With an improved ignition, this is an easy, cost-efficient replacement for customers while also offering greater reliability.

Among its features:

- ▶ Ignites only when hot water is required
- ▶ Continuous flow technology
- ▶ 5 star energy efficiency
- ▶ Natural and LP Gas available
- ▶ Comprehensive domestic warranty:
 - ▶ 10 years heat exchanger (part only)
 - ▶ 2 years parts and labour

With these additional benefits:

- ▶ No standby power required
- ▶ No power point required
- ▶ No standing pilot light

This attributes to:

- ▶ Low installation costs
- ▶ Low running costs
- ▶ Hot water independent of electricity supply
